

TECHNICAL DATA SHEET

SOFT

FABRIC SOFTENER

PRODUCT DESCRIPTION

Soft is a fragrant liquid fabric softener manufactured from a unique blend of cationic chemicals. It softens and conditions fabrics when added to the final rinse. It reduces static electricity and fabric wrinkling. Soft is available in four different fragrances: Regular, Lavender, Summer and Whisper.

APPLICATIONS

Soft may be used in institutional laundries such as hospitals, hotels, motels as well as domestic households.

DIRECTIONS

This product may be used for cold or hot water washing. For best results, never apply fabric softener directly to fabric as spots and stains can occur. Add to the final rinse cycle and measure and use the correct amounts. Too much can make some items non-absorbent. For this reason, DO NOT USE on Kylies and bed pads.

DILUTION RATE

Use 75 mls Soft per 5kg dry weight of laundry.

STORAGE

Keep out of reach of children. Keep container firmly closed. Store in a cool dark place.

SAFETY PRECAUTIONS

Do not mix chemicals and always add chemicals to water.

KEEP ALL CHEMICALS OUT OF REACH OF CHILDREN. If poisoning occurs, contact a Doctor or Poisons Information Centre. **National Poisons Information Centre Dial 13 1126 (from anywhere in Australia).** Additional information is listed in the Material Safety Data Sheet.

GENERAL: The information and recommendations in this data sheet are to the best of our knowledge reliable. However, nothing herein is to be construed as a warranty or representation. Users should make their own tests to determine the applicability of such information or the suitability of any products for their own particular purpose.
