
TECHNICAL DATA SHEET

NORSAN LIQUID

Dishwashing Machine Liquid

PRODUCT DESCRIPTION

NORSAN LIQUID is a concentrated alkaline dishwashing machine detergent with a built-in rinse aid. It provides a spot-free, high grade finish and leaves surfaces sparkling and streak-free. NORSAN LIQUID contains highly active emulsifiers to quickly cut through grease. NORSAN LIQUID is highly effective in preventing scale from building up on machine surfaces.

APPLICATIONS

NORSAN LIQUID has been specially formulated for use in commercial dishwashers where a liquid dispensing system is operational. NORSAN LIQUID sanitises and de-stains crockery as well as descaling.

DIRECTIONS FOR USE

- Use 2 – 3 parts per million.

SAFETY PRECAUTIONS

Strong caustic solution can cause burns. Please read all labels carefully before using product.

Do not mix chemicals and always add chemicals to water.

KEEP ALL CHEMICALS OUT OF REACH OF CHILDREN. If poisoning occurs, contact a Doctor or Poisons Information Centre. **National Poisons Information Centre Dial 13 1126 (from anywhere in Australia).** Additional information is listed in the Material Safety Data Sheet.

STORAGE

NORSAN LIQUID has a limited shelf life and will only last for between 6 to 8 months depending on storage conditions. It should be stored in a cool spot away from direct sunlight and in a sealed container. Replace cap after using. Keep storage to a minimum by purchasing only required amounts.

GENERAL: The information and recommendations in this data sheet are to the best of our knowledge reliable. However, nothing herein is to be construed as a warranty or representation. Users should make their own tests to determine the applicability of such information or the suitability of any products for their own particular purpose.
