HOUSEKEEPING AND GENERAL CLEANING

Chemicals available in 5, 15 and 200 litres unless otherwise specified.

SANITISERS

- BIOSEPT** Oxygen Bleach powder which leaves toilet bowls sparkling clean and odour-free. BIOSEPT contains no chlorine so is safe to use in septic tanks.
- CHLORDET** Sanitising detergent powder for use in food processing areas such as butcher shops, seafood and poultry processors, fruit juice and dairy factories etc. Strong detergent action combined with high chlorine content ensures fast cleaning and positive sanitising. *AQIS Approved*.
Available in 4 and 20 kilograms
- NORCHLOR** Powerful chlorine-based sanitiser. ***AQIS Exempt***
- SANIDET** Concentrated anti-bacterial cleaner formulated for hard surface cleaning in food preparation areas. Sanidet is phosphate and fragrance free and pH neutral. ***AQIS Approved***

DEODORISERS / SANITISERS / DETERGENTS

- BORONIA** Three way action to clean, deodorise and sanitise in one operation providing lasting freshness.
- EUCOPYNE** Quaternary sanitiser concentrated for superior anti-bacterial and cleansing properties. Leaves fresh Eucalyptus - Pine fragrance.
- FLOROSAN** Powerful anti-bacterial cleaner formulated for use in large areas where public hygiene and powerful deodorising qualities are important.
- FOREMOST** Lemon detergent sanitiser, cleans walls, floors and toilet areas while it sanitises and deodorises. This product does not dull polished floors.
- GARDEN MIST** Pleasant fragrance sanitiser for use on floors, walls, toilet & bathroom as well as any other household areas.
- PHENYLE** Traditional bacterial control deodoriser. Ideal for drains (undiluted) and general sanitising (mix with 20 parts of water).
- PINE OIL** Concentrated anti-bacterial cleaner for walls, floors, and toilet areas in industrial/commercial areas.
- SPRINGTIME** Provides three way actions to clean, deodorise and sanitise in one operation. Use on floors, walls, toilet and bathroom areas.
- TANGO** Controls bacteria and neutralises stale odours, leaves a fresh fruity fragrance.

TROPIC SPICE Highly concentrated cleaner with built in sanitising and deodorising action. Ideal for hotels, motels, shops, offices etc. Use on floors, walls, toilet and bathroom areas.

VANILLA FRESH Sanitiser that also deodorises and cleans the desired area. For use all around the house.

DEODORISERS

WILDFLOWER SPRAY (Water based – non-flammable)
May be used with a spray atomiser or wiped directly onto surfaces for residual action.

A RANGE OF AIR FRESHENERS AND METERED PUMP DISPENSERS ALSO AVAILABLE.

DETERGENTS

ALPINE FRESH Concentrated, Phosphate-free, pH neutral, bio-degradable general purpose detergent. Will not dull or streak polished surfaces, is environmentally safe, user-friendly, safe for septic tanks and will not pollute waterways. Suitable for almost any application, leaving a fresh lingering fragrance.

C.S. DETERGENT Concentrated and economical, a viscous, long lasting grease cutter for all hand washing.
AQIS Approved.

GOLDEN BERRY Highly concentrated biodegradable detergent for dishwashing and general purpose. Use in hard or soft water.

LEMON SPARKLE Powerful, pure biodegradable detergent with superior long lasting grease-cutting qualities, suitable for dishwashing and general purpose use.

NORGOLD Industrial, biodegradable, phosphate-free general purpose detergent formulated for heavy industrial use as well as household cleaning.

DISHWASHING MACHINE PRODUCTS

FRECHLOR Chlorine free dishwashing powder suitable for septic and biological degradation systems.
Available in 4 kilograms

NORSAN LIQUID Commercial sanitising and cleaning concentrate for auto injection into mechanical dishwashers. It features heavy duty cleaning action, built in cup de-stainer, no rinse aid needed, de-scaler and sanitises to ensure sparkling, hygienic tableware.

NORSAN POWDER For use in all commercial and domestic dishwashers where a spot-free, high-grade finish is required. It contains highly active emulsifiers to quickly cut away grease, also sanitising, cup de-staining and de-scaling agents, and an inbuilt rinse aid.

RINSE AID Drying agent, stops spotting, leaves crockery and cutlery sparkling.

SPECIALISED KITCHEN / HOTEL PRODUCTS

BAR MATE Strong alkaline cleaner with the following features: cleans and sanitises beer lines, cleans glasses by hand or machine, leaving them sparkling and spot-free, controls algae which causes sour tasting beer, leaves no detergent residue to taint beer.

**GRILL & OVEN
CLEANER** Powerful cleaner for lukewarm grill plates or ovens. Dissolves baked on grease.

PHOSCALE Non-fuming acid concentrate for removing calcium build-up and water scale from dishwashers, boilers, water pipes evaporators etc.

RHINO Non-caustic. non-corrosive grill & oven cleaner

SPEEDKLEEN Heavy duty, grease cutting alkaline cleaner
AQIS Approved

GENERAL PURPOSE CLEANERS

ALPINE FRESH Concentrated, Phosphate-free, pH neutral, bio-degradable general purpose detergent. Will not dull or streak polished surfaces, is environmentally safe, user-friendly, safe for septic tanks and will not pollute waterways. Suitable for almost any application, leaving a fresh lingering fragrance.

CITRA MIST Citra Mist is an all-natural spray and wipe cleaner. Its natural ingredients are safe from harsh irritants to the skin, as well as being more biodegradable than petroleum products. It contains d-limonene and vegetable based detergents.

GREASOFF Heavy duty alkaline cleaner, medium foaming, for quick removal of grease, oil, grime etc., by hand, steam cleaner or pressure washer. Greasoff is non-flammable, non-toxic and will not adversely affect paint, nor will it affect metals such as aluminium and zinc. Useful as a Bilge Cleaner.

METHYLATED SPIRITS Industrial grade Methylated Spirits.
Available in 1, 4, 20 & 200 litres

MIGHTY WIPE Concentrated spray & wipe cleaner with extra muscle, for use on hard surfaces such as walls, upholstery, bench tops, non-polished floors, cars, engines, machinery etc. It may also be used for steam cleaning.

MISTRAL Perfumed concentrated spray & wipe cleaner with extra muscle, for use on hard surfaces such as walls, upholstery, bench tops, non-polished floors etc in industrial, commercial or home use. It may also be used for steam cleaning. Cleaned surfaces stay fragrant for hours.

- NORGOLD** Industrial, biodegradable, phosphate-free general purpose detergent formulated for heavy industrial use as well as household cleaning.
- SUPERVIEW/REFLECTION** Quality, smear-free, spray-on, wipe-off glass cleaner used on windows, mirrors, shopfronts etc. Also incorporates a spray and wipe for motel room bench tops.
- S.W. SUPER CLEANER** Concentrated citrus boosted spray and wipe, for quick and easy cleaning of hard surfaces, upholstery, laminates, car engines, etc. Dissolves general grease and grime as well as ballpoint ink, body and soap fats from showers and basins, and mineral oils.
AQIS Approved

TOILET/BATHROOM AREAS

- AQUA TABS** Biodegradable. For use in Urinals. Disinfect, neutralise odours, reduce corrosion & uric Acid build up.
- BIOSEPT** Septic-safe toilet bowl cleaner, leaves toilet bowls sparkling clean and odour-free. Chlorine-free.
Available in 4 and 20 kilograms.
- CERAMIC CLEANER** Heavy-duty bathroom and toilet cleaner designed to easily remove mineral, soap and body fat build up on tiles, AC sheet, porcelain, fibreglass etc.
- DOMOSAN** Anti-bacterial cleaner, thoroughly cleans baths, showers, toilets, basins etc. Controls mould and odour-causing bacteria.
- LIME SPLASH** Limesplash is specifically designed for total washroom and toilet cleaning. It gently removes lime, hard water scale, rust and waste products from all washroom surfaces leaving the fresh smell of citrus & lime in its place. It is easy to use and very effective.
- ORGANIC PLUS** Excellent for Washrooms. Removes soap scum and scale build up in showers, cleans ceramic wall tiles and floors. Removes scale build up and uric acid in urinals, cleans and sanitises toilets.
- SUPER-LOO FLUID** Portable toilet deodoriser concentrate for portable toilets, chemical pan toilets and waste holding tanks. NOT suitable for Septic tanks.
- ULTRASEPT** Highly concentrated efficient cleaner for uric encrustation, lime scale, organic deposits and soap fats from toilets, urinals, showers, tiles, etc.

A RANGE OF METERED PUMP DISPENSERS AND AIR FRESHENERS AVAILABLE.

SPECIAL PURPOSE PRODUCTS

- CRYSTAL CLEAN** Concentrated, abrasive Hard Water Stain Remover for removing heavy-duty calcium build-up on windows, showers, baths and most surfaces.
Available in 200gm, 2 and 8 kilograms
- CHLORDET** Sanitising detergent powder for use in food processing areas such as butcher shops, seafood and poultry processors, fruit juice and dairy factories etc. Its strong detergent action combined with high chlorine content ensures fast cleaning and positive sanitising. *AQIS Approved*.
Available in 4 and 20 kilograms
- CREME CLEANSER** Powerful cream cleaner specially formulated to clean and shine bench tops, chrome, porcelain, baths, basins, and stainless steel sinks without harsh scratching.
- DESCALE** Concentrated acid cleaner for removing water and cement scale from boilers, water pipes, dishwashing machines, evaporators, concrete trucks, etc. It contains a special inhibitor to minimise metal corrosion Still available in 20 litres.
- DEMINERALISED WATER** Available in 4, 20 and 200 litres
- DISTILLED WATER** Available in 15 litres
- ENZYMATIC VANILLA** Biodegradable, organic product containing enzymes which reduce offensive odours arising from the decomposition of greases, fats and other animal and plant materials. Use to clean and deodorise Drains, Grease Traps and Septic Tanks. May also be used to clean up Oil Spills.
- GREASOFF** Heavy duty alkaline cleaner, medium-foaming, for quick removal of grease, oil, grime etc., by hand, steam cleaner or pressure washer. Greasoff is non-flammable and will not adversely affect paint. Avoid prolonged contact with aluminium.
- MOULD REMOVER
/RENOVATE** Removes mould and mildew from bricks and concrete in its concentrated form. Dilute for mildew on painted walls. It may be used in cold-water pressure machines.
DO NOT USE ON VINYL. ALWAYS RINSE OFF WELL
- PHOSCALE** Non-fuming acid concentrate for removing calcium build-up and water scale from dishwashers, boilers, water pipes evaporators etc.
- PINESOLVE** A biodegradable, natural, Dipentene-based Solvent Degreaser. It can be used for removing chewing gum, adhesives and stubborn greasy stains from fabrics, carpets, plastics, most painted surfaces, concrete etc. Tough enough to deal with heavy-duty jobs – bitumen, heavy grease, oil, carbon etc.
NB: always test on fabrics or painted surfaces before general use.

- SPEEDKLEEN** Heavy duty, grease cutting alkaline cleaner for the following areas:
- **Kitchens:** Floors, Grill Plates, Vents etc.
 - **Cars:** Upholstery, Motors, Door Hinges etc.
 - **Industry:** Cleaning Machinery, Floors, and Parts etc.
- AQIS approved**

INDUSTRIAL PRODUCTS

- MARINE CLEAN** Total cleaner for ship hulls, decks and superstructures. Its unique cleaning action dissolves general grime, rust stains and suntan oil.

- NORBREAK** **Quick Break Emulsion Degreaser. Non-flammable** solvent degreaser to remove dirt and oil from a multitude of surfaces including concrete, painted surfaces and any metals. Safe on all reactive metals such as aluminium, magnesium alloys, copper etc.
Available in 20 and 200 litres.

- NORSOLVE No.1** Heavy-duty industrial degreaser designed to quickly and effectively remove petroleum based oils and greases. It is non-corrosive and can be used safely on zinc, copper, aluminium etc., as well as painted surfaces, leaving them grease free and ready to paint.
Available in 4, 20, 60 and 200 litres.

- KLEENSORB** Used as an oil and water spillage absorbent, pet litter, agricultural chemical carrier etc. Safe to use and suitable for landfill disposal.
Available in 25 kilograms

- RECOSOL D60** Non-flammable, dearomatised hydrocarbon solvent degreaser, performing as an improved replacement for Mineral Turpentine or White Spirit in cleaning formulations. When used as a degreaser, it leaves no residue and is suitable for work with electrical components.
Available in 20 and 200 litres

- RUSTKILL** Neutralises rust on ferrous sub surfaces before painting. It seeps into cracks and crevices, neutralising rust and provides a solid base for painting.

- WAX & GREASE
REMOVER** For quick removal of waxes, oils, greases, tar etc, prior to painting.
Available in 1, 4, 20 and 200 litres

LAUNDRY PRODUCTS

- BIOSAN** Biodegradable laundry stain remover and linen brightener. Removes stains like coffee, wine, food, gravy, blood, grass, etc. as a soaker. Brightens and maintains whiteness in linen as an additive to laundry detergent.
Available in 4 and 20 kilograms

- KOMBI-WASH** Heavy-duty laundry detergent especially formulated to clean grimy work clothes and greasy overalls.
Available in 15 kilograms
- BLEACH** Commercial liquid bleach suitable for laundry use, mildew-control, sanitising and deodorising.
- ECLIPSE/REFLECTION** Concentrated laundry powder for front/top loader machines.
- OCEAN BREEZE** Phosphate-Free Laundry Powder. Environmentally friendly, economical laundry powder for use in commercial and domestic laundry machines.
Available in 15 kg bag or pail
- SO-BRITE** Economical, highly concentrated and biodegradable pre-wash spray and soaker containing Oxalic Acid. Brightens whites and coloureds, removes most stains and dirty marks including rust marks on clothing.
- SODA ASH** Washing Soda
Available in 25 kilograms
- SOFT** Double concentrated commercial fabric conditioner and formulated to impart body and feel to all laundered articles. Regular, Fern, Summer and Lavender Fragrance
- IRONING-AID** Ironing aid formulated to provide a crisp new look to all cottons, synthetics etc. with inbuilt lubricants to allow the soleplate to glide effortlessly over the heaviest ironing.
- ULTRAWASH** Specially formulated for use in commercial laundries, powerful but mild surfactants quickly dissolve dirt, stains and grease from linen, towels etc., contains a unique brightening agent to keep whites and colours bright in hot or cold water.

SOAPS / HAND & BODY CLEANERS

Effective yet mild liquid hand & body soaps based on coconut oil with lingering fresh fragrance. Ideal for use through dispensers in washrooms or showers. (Ask about our dispensers):

WILD BERRY

WILD BORONIA

WILD COCONUT

WILD CITRUS

WILD FERN

WILD LAVENDER

WILD PEACH

WILD SANDALWOOD

HEXA A concentrated **antibacterial** hand soap with a light lemon fragrance.

WILD SNOW **Fragrance-free**, safe to use in food handling areas and a safer alternative for those who suffer allergic reactions to the fragrances in many scented soaps.
AQIS approved

CAKES OF SOAP wrapped or unwrapped

Heavy Duty

ALOE VERA HD A heavy-duty liquid hand and body soap which has exceptional grease-cutting properties and a fresh, fern fragrance. Has added skin conditioners and leaves skin soft and supple.

A range of industrial, antibacterial and washroom hand cleaners and dispensers are also available.

CAR CARE

FLEETWASH Spray on, hose off vehicle cleaner, takes the time and hard work out of washing dust, road grime and grease from trucks, trailers, graders, dozers, cars etc. **NON-CAUSTIC**

NEUTRAWASH Neutral Car Wash Detergent for a powerful, biodegradable, phosphate free car wash. It is pH neutral and will not dull the shine of polished surfaces.

FURNITURE CARE

B-BRITE Protects stainless steel, internal glass, polished timber, baked enamel, vinyl, melamine, plastic, brass and leather without streaking, finger marking or attracting dust.

FLOOR CARE

ALPINE FRESH A biodegradable, phosphate-free, pH neutral and high-performance detergent. Will not dull or streak polished surfaces, is environmentally safe, user-friendly, safe for septic tanks and will not pollute waterways. Suitable for almost any application, leaving a fresh lingering fragrance.

GEMINI Floor gloss sealer finish to seal and polish vinyl floors.

MAXI-STRIP Rapidly penetrates and emulsifies floor sealers and polishes for quick stripping.

MOP & SHINE Cleaner and polish for floors, producing a clean, glossy floor by damp mopping.

HARDSEAL "Wet Look" indoor/outdoor solvent-based acrylic sealer, suitable for slate, brick, concrete etc.
Available in 4 and 20 litres

Also available - a range of specialised products for cleaning and coating hard floors (vinyl, timber etc.) plus cleaning and deodorising carpets.

POOL PRODUCTS

- ALUM SULPHATE** Pool Flocculant to carry solids and foreign matter to the bottom of the pool so that it can be vacuumed.
Available in 25 kilograms
- ALGAECIDE** Algaecide for swimming pools, for the control of algae.
Available in 5 litres
- ALGAECIDE
(COPPER BASED)** Algaecide and Black Spot remover for swimming pools
Available in 1 litre
- BROMINE TABLETS** Controls algae and bacteria in heated spas, hot tubs and pools.
Available in 1 kilogram
- CLARIFIER** Pool Clarifier - clears the water in swimming pools.
Available in 1 litre
- DIATOMACEOUS EARTH** Used as a filter medium.
Available in 4.5 and 11 kilograms
- DPD TABLETS** DPD No 1 tablets: test reagent for chlorine.
Available in strip of ten tablets
- FILTER-CLEANSE** Removes mineral deposits, grease and scale from swimming pool, therapeutic pool, spa and hot tub filters.
Available in 1 kilogram
- GRANULAR CHLORINE** For fast effective bacteria and algae control. Not Stabilised
Available in 4 and 10 Kilograms
- HARDNESS PLUS** Hardness Plus will increase the hardness of water in concrete swimming pools and prevent corrosion of concrete surfaces.
Available in 5 kilograms
- HYDROCHLORIC ACID** Used to lower pH in swimming pools, also used to etch concrete prior to painting.
Available in 5, 20 and 200 litres
- NORCHLOR** 10% liquid pool chlorine. Also used as a sanitiser and to control mildew and mould when cleaning exterior and interior walls. Controls bacteria and algae in swimming pools.
- NORGUARD** Swimming pool scale inhibitor, preventing scale build-up on pool surfaces, heaters, filters and other equipment by dissolving and sequestering minerals that cause scale.
- ONCE A WEEK** Controls algae and bacteria in swimming pools. Add tablets to a floating

CHLORINE TABLETS	cell or feeder designed for trichloroisocyanuric acid tablets. Large Tablets 2 & 10 Kgs Mini Tablets 4 & 10 Kgs
ONCE A WEEK MULTI ACTION TABLETS	Controls algae and bacteria in swimming pools. Add tablets to a floating cell or feeder designed for trichloroisocyanuric acid tablets. Available in Large Tablets - 2 Kgs
PH BUFFER	pH Buffer is used to raise total alkalinity in pool water. A low total alkalinity may cause pool water to be corrosive and irritating and may result in staining, and etching of the pool surface and fittings. Available in 4 and 10 kilograms
PH DOWN	pH Down is used for the lowering of pH and total alkalinity in swimming pool water. High pH and total alkalinity will cause pool water to be cloudy and slow down the bacteria kill rate of chlorine. Available in 2 kilograms
PHENOL RED TABLETS	Used to test pH levels Available in strips of ten tablets
PH UP	pH up is used to raise the pH of swimming pool water. Low pH will cause pool water to be corrosive and irritating and may result in staining and etching of the pool walls and fittings. Available in 2 kilograms
POOL FLOC	Active constituent – Aluminium Sulphate, to carry solids and foreign matter to the bottom of the pool so that it can be vacuumed. Available in 2 kilograms
POOL SALT	Used as a source of chlorine and sodium for salt water pools. Available in 20 kilograms
AQUACHEK alkalinity or pH.	Pool and spa test strips are used to test the level of free chlorine or bromine, alkalinity or pH. Available in 50 test strips per container
SAND AID pool water.	Specially formulated to improve the efficiency of sand filters, cleans and clarifies pool water. <i>Available in 1 kilogram</i>
STABILISER suns rays.	Reduces chlorine loss in swimming pools by screening ultra-violet light from the sun's rays. Available in 2.5 kilograms
SPA-BRITE	Clarifies and brightens cloudy water and prevents staining and scale formation. Protects spa and pool equipment. Available in 500 millilitres

- SPARKLE-B** Broad based chemical adjuster and conditioner for spas.
Available in 1 kilogram
- SPA-SHOCK** Shock treatment for spas and heated pools. Long lasting oxidiser. Contains no chlorine. Brightens dull water. Should be used for SHOCK TREATING ONLY.
Available in 500 grams
- STABILISED CHLORINE** Stabilised pool chlorine, saves time and money in pool maintenance. It is fully soluble, therefore leaves no residue. The stabiliser in this chlorine reduces chlorine loss due to sunlight.
Available in 4 and 10 kilograms
- KNOCKOUT** Shock treatment and super chlorination treatment for swimming pools.
Available in 500 grams

Bulk Chemicals

The following products are available as raw materials in bulk form, bags or drums. Others may be available upon request – Normally at least 7 days notice required if not in stock.

- | | |

| <i>Glycerine</i> | |

PAPERWARE AND DISPENSERS

WIPERS

- WIPERS** Available in perforated bulk rolls and in individual packs in a range of colours.
(Similar to CHUX)
Wall mounted brackets available for rolls.
- FOOD SERVICE/
MULTI-PURPOSE** Strong, re-usable, chemical & odour free, absorbent all-purpose cloths.
Available in a range of colours
- DUSTING CLOTHS** A range of microfibre and other dusting cloths

WIPERS/TOWELS

Available in: Regular Roll Towels
Centre Feed/Barrel Roll Towels
Interleaved Hand Towels:
Dispensers available

TOILET TISSUE

Available in: Regular rolls in 1 and 2 ply (from 260 to 1000 sheets per roll).
Jumbo Toilet rolls in 1 and 2 ply
Interleaved Tissue in 1 and 2 ply
Dispensers available

FACIAL TISSUES

Available in: 2 Ply Tissues.
Dispensers available

MATTING

A variety of matting is available in store or from our suppliers.

This includes entrance matting, anti-fatigue matting, safety matting, chemical resistant matting in various size mats, tiles or runners.

HOSPITALITY

HOUSEKEEPING EXTRAS A range of matching glass cover bags, toilet seat strips, sanitary bags for motel rooms, a range of tray mats, cutlery and toast bags for breakfasts.

CLEANING HARDWARE

CLEANING EQUIPMENT

- Stainless Steel Scourers, Pads and Sponges. Pads and sponges range from Light Duty, suitable for glass cleaning to Heavy Duty, suitable for concrete floors.
- Floor tools and hand tools to suit the above.
- Floorpads to suit polishers
- Buckets, including Mop (wringer) Buckets and Window Cleaning buckets
- Wall and Window Washers with T Bars and Extension Handles up to 24 feet.

HANDLES Handles to suit various brooms, mops etc. - wooden, aluminium, powder coated, aluminium extension.

BROOMS/BRUSHES Various domestic and industrial indoor/outdoor Brooms, Dustpan & Brush sets, Lobby sets, Cobwebbers and Toilet Brushes

SCRUBS Various deck and hand scrubs

MOPS	Cotton, Poly-Cotton and Supalooop Electrostatic Dust Mops
SAFETY HARDWARE	Signs, masks, respirators, gloves
BAGS	Garbage bags up to 82Litre Wheelie Bin Liners Contaminated waste bags Kitchen tidy bags Biodegradable Singlet Bags
CONTAINERS	Plastic Pails with lids Plastic Bottles, Jars and Drums Plastic Atomisers Steel Paint and Screw Top cans
CLOSURES	A variety of Lids, Pumps and Atomiser Heads

OTHER CLEANING PRODUCTS

We stock a specialised range of products for cleaning and coating hard floors (vinyl, timber etc.) plus cleaning and deodorising carpets.

PAINTS & COATINGS

HOUSE

RANGE OF: Enamel, acrylic and timber finishes
PLUS: Accessories

INDUSTRIAL

RANGE OF: Finishes and Coatings for all types of substrates
PLUS: Accessories

AUTOMOTIVE

RANGE OF: Enamels in 2 K, Clear over base and Acrylics
PLUS: Accessories including car bog, thinners, equipment etc

MARINE

RANGE OF: Antifouling and 2 pak and single pak polyurethanes

FLOORCARE

RANGE OF: Sealants and Topcoats

SOLVENTS

RANGE OF: Solvents, spirits and thinners

DISPOSABLE OVERALLS

Available in a limited range

ADHESIVES & SEALANTS

RANGE OF: Epoxy and woodworking glues
Marine, industrial and household sealants

LUBRICANTS

RANGE OF: **Boltoff** and **Inox** in liquid and pressure packs
Fish Oil in liquid and pressure packs

PLUS: **Lanolin in pressure pack, liquid or grease**
Lanolin is an environmentally friendly, non-evaporative, non-toxic, non-flammable, non-conductive film that protects, cleans, rejuvenates and lubricates. Displaces & repels moisture in switch-gear, distributors, battery terminals, spark plugs, electrical fittings, wet engines etc.

NB: DO NOT USE LANOLIN GREASE ON HIGH SPEED BEARINGS

FIBREGLASS

RANGE OF: Fibreglass needs including matting, tapes, resins, hardeners, thinners
PLUS: Accessories
